MEMORANDUM FOR: CHIEF, PSYCHOLOGICAL WARFARE DIVISION

SUBJECT : Preliminary Investigation of CIA's Responsibility
in a National Ideological Program

1. Assumption

It is assumed that the PSB will shortly confirm the fact that ideological warfare is the legitimate field of operational interest to this Agency.

2. CIA's role in this program and means of implementing this role should be investigated with the least possible delay. Advantage should be taken of qualified consultants investigations of this role.

What follows is a suggestion for utilizing the contribution which
